

LARC Grant Rationale and plan of work for the research community: (511 words)

m

Columbia University Estuary & Wetlands Institute's Liberty Community Center (LCC) is a 1.5-acre site in the heart of the city of New York City. The site is currently used as a parking lot and is surrounded by residential and commercial buildings. The LCC is a community center that provides a variety of services to the community, including after-school programs, job training, and health services. The LCC is a vital part of the community and is an important asset to the city of New York City.
